

Easier • faster • safer healthcare at your fingertips

With the single-sign-on feature of the **myBupa** and **QHMS mobile apps**, you can access both using your myBupa account. Use Bupa's affiliate medical service provider Quality HealthCare Medical Services (QHMS) mobile app easily through myBupa now.

Here's how the 2 apps offer an easier, faster and safer healthcare experience to Bupa member Mr. Lee.

Doctors Finder

Mr. Lee had some abdominal pain recently. He used **myBupa** to find Bupa network doctors, and decided to visit a QHMS general practitioner (GP).

e-Ticketing

Mr. Lee accessed the **QHMS app** through myBupa and got an e-ticket from his GP. He didn't need to log in to the QHMS app again or wait at the clinic.

eMedical Card

Mr. Lee showed his eMedical Card on **myBupa** at the clinic during registration to enjoy cashless treatment.

e-Booking

The GP advised Mr. Lee to visit a specialist for follow-up. Mr. Lee made a booking with a QHMS specialist easily using the **QHMS app**.

or

Video Consultation

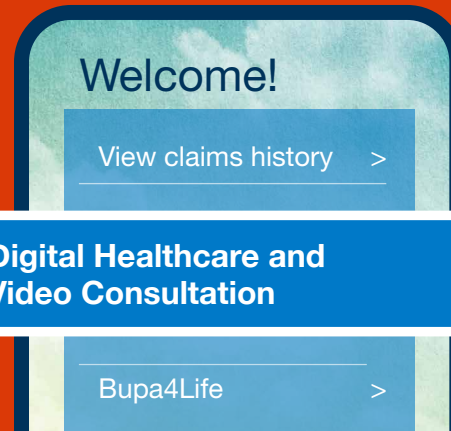

Alternatively, Mr. Lee can use video consultation services on the **QHMS app** to consult a GP from home. He can simply go to the QHMS app > Video Consultation page, and then choose his preferred clinic and GP after checking the doctors list on myBupa in his clinical network.

How to access the QHMS app through myBupa

Simply select "Digital Healthcare and Video Consultation" on **myBupa** to download or access the QHMS app. Try it out now!
